To Whom It May Concern:

We have used Green Pest Control for 2 ½ years. On the first visit our children were in infancy and we also had a puppy but Jerry assured us the treatment was safe and low irritant.

We were very pleased with the quick, clean and informative service. There was no irritating smell or mess.

The pests were eliminated overnight and by using his service regularly the house remained bug free.

I would be happy to recommend Jerry's service to anybody and would be happy to give a personal reference to anybody that has questions.

All the best

Regards,  
Glenn Challen
